Criteria for Selecting Teachers for National Awards

*280. MISS CHANDRIKA PREMJI KENIA: Will the PRIME MINISTER be pleased to state:

(a) what are the criteria for selecting teachers and Principals of schools of states and UTs for National Award; and

(b) what criteria are applied by the Kendriya Vidyalaya Sangathan for selection of teachers and Principals for the National Award?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI CHIMANBHAI MEHTA): (a) and (b) The conditions of eligibility for the selection of teachers for the National Awards are given below:

— Classrom teachers with atleast 15 years teaching experience and Headmasters with 20 years of experience and who are actually working as teachers/Headmasters in recognised primary/middle/high/higher secondary schools only shall be considered. Teachers who are teaching upto Class VIII should be considered in the category of Primary School Teachers and those teaching classes IX-XII in the category of Secondary School Teachers.

— Normally, retired teachers are not eligible for the awards, but those teachers who have served for a part of the calendar year (atleast for four months) may be considered if they fulfil all other conditions.

— Teachers whose names were recommended last year or before, can be considered again if they are still otherwise eligible and are recommended by the State Government/Union Territory Administration.

— Teachers from the recognised institutions for the physically and mentally handicapped are also eligible for the awards, provided they fulfil all other prescribed conditions.

— Educational administrators (Inspectors of Education, etc.) and the staff of training colleges are not eligible for these awards.

In addition to the above, the main considerations which should guide the selection of teachers are:

— Teacher's reputation in the local community.

— His/her academic efficiency and desire for its improvement.

— His/her genuine interest in and love for children.

— His/her involvement in the social life of the community.

The Kendriya Vidyalaya Sangathan applies the same criteria for selection as detailed above.

Deplorable condition of Assam-Agartala Road

@2276. SHRI NARAYAN KAR: Will the PRIME MINISTER be pleased to state:

(a) whether Government are aware of the fact that the deplorable condition of Assam-Agartala Road (Highway) is due to unusual delay in construction of major bridges and replacement of semipermanent bridges;

(b) if so, what steps have been taken by Government for its improvement; and

(c) whether Government propose to consider the extension of Assam-Agartala road upto Subroom?

@Previously Unstarred Question 1769, transferred from the 22nd August, 1990.

THE MINISTER OF STATE IN THE MINISTRY OF DEFENCE (DR. RAJA RAMANNA): (a) and (b) All the water gasp of the Jowai-Agartala sector of NH-44 (Assam-Agartala road) have already been bridged. The phased replacement of the temporary and semi-permanent bridges is expected to be completed by 1994-95.

The present state of the road is satisfactory. However, due to the increase in traffic intensity, it has been proposed to develop the road from Jowai upto Karimaganj to double lane specifications.

(c) No, Sir.

Plan Programme to Accelerate Growth of Agriculture

†2277. SHRI SURESH PACHOURI: Will the PRIME MINISTER be pleased to state:

(a) whether a meeting between the Planning Commission and the Agricultural Scientists was held recently to prepare a plan to accelerate growth of agriculture during the Eighth Five Year Year Plan period;

(b) if so, whether any concrete proposals have emerged from the discussions; and

(c) if so, to what extent these decisions would be incorporated in the Eighth Five Year Plan?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING AND THE MINISTER OF STATE IN THE MINISTRY OF PROGRAMME IMPLEMENTATION (SHRI BHAGEY GOBARDHAN): (a) Yes, Sir.

(b) and (c) Concrete suggestions with respect to input delivery system, agricultural exports, remunerative prices, development of plantation crops, development of minor irrigation, development of agro-industries to arrest rural exodus to the cities were made. It was also stressed that greater emphasis should be laid on bio-technology to overcome the situation when the petroleum based fertilisers become scarce and costly. With reference to rainfed/dryland agriculture, watershed development was stressed. The need for developing rural infrastructure like roads, markets, etc. were suggested. It was also suggested that there should be farmers' exchange programme so that the farmers of one State can go to other States and learn improved methods of cultivation. It was suggested that there should be closer linkage between the farmers and the research workers in knowing their problems. Suggestions were also made for the development of Hroticulture with better planting material made easily available. It was also suggested that export of non-traditional items like basmati rice should also be encouraged. All these suggestions would receive consideration in formulation of the Eighth Plan.
